TRURO

SHEAR GEAR

SHEARING SHED READY PROGRAM

The Shearing Shed Ready program has been initiated so that all the hassle of preparing for shearing is taken away.

Before shearing the idea is that we visit, service your equipment, Presses, Power Plants etc. plus:

We will make sure that all of your consumables are in stock.

We will make sure that your shed is "SAFE" & all equipment is up to standard.

AGENCIES

TPW Woolpress

TPW Xpress Woolpress

The world's #1 selling Woolpress

- Renowned TPW reliability, the preferred Woolpress of shearing contractors
- Cycle time of 12-16 seconds in high yielding wool to 200kg
- Safety screen guard complete with automatic return
- Swift pack locking system - the fastest on the market

Capable of pressing 90 bales of wool a day, the TPW Xpress Woolpress handles a 10-stand shed with ease. The unique automatic side pinning results in bales being compact, square and contamination free while the powerful yet quiet single hydraulic cylinder ensures more wool is pressed into fewer bales. Compliant with rigorous WorkSafe safety standards, the TPW Xpress ticks all the boxes when it comes to shearing shed safety, reliability and performance.

Shearing Hand Pieces

Heiniger

ICON FX

Unleash Your Potential.

The redesigned slimmer barrel provides better handpiece balance and new levels of comfort and ergonomics to reduce strain and give you superior manoeuvrability, control and grip.

Increase Your Tallies. The overall lighter FX requires less effort and time to start and stop each blow, helping you shear more efficiently and maximise tallies.

Your Ultimate Handpiece. With countless hours of research, development and testing, the FX pushes the boundaries of shearing while continuing the world renowned legacy of the Icon - the same Swiss quality, precision and reliability that Heiniger is known for.

XPERT 240V Handpiece

Shearing like an XPERT is easy.

Super powerful 240 volt / 200 watt permanent magnet motor. Ideal for crutching, dagging / wiggling and shearing small flocks of sheep, goats and camelids.

- Low vibration
- Lightweight 1180 grams
- Durable fibreglass case with "soft feel" finish
- Ergonomic slim grip handle
- Cutting speed 2500db/s / minute
- Fitted with Ovina Comb and Diamond Cutter.

TRURO AGENCIES

12v Shearing Hand Pieces

Heiniger

Ultimate 3

Powerful and extremely versatile.

Ideal for crutching/dagging and cow tail clipping without a mains power requirement or troublesome and potentially dangerous extension cords.

- Retractable cord, 160 Watt power, 1400 grams
- Thumb operated momentary switch prolongs battery life and is ideal for flighty animals
- 2 x 12v 7ah batteries
- Comes complete with 2 x battery chargers, handpiece holster and belt, Ovina Comb, Xtreme Cutter and battery backpack or pouch

12 Volt S12

A 'must have' for remote locations.

Connects with ease to car or motorbike battery, eliminating the need for an AC power supply.

- Running time of 4-5 hours (regular size car battery)
- Lightweight 1230 grams
- 5m heavy duty power lead and clamps
- Complete with carry case, screwdriver, oil, brush, Ovina comb and Xtreme cutter

25 Moorundie Street,
TRURO SA.

Shearing Cutters

DIAMOND Run-In Shearing Cutters

Ideal for use on any thickness of comb. The Diamond cutter is suitable for all types of sheep. Parallel ground to ensure even tension and precision re-sharpening.

**Diamond shearing cutters are not suitable for use with winter comb profiles.*

EXTREME Run-In Shearing Cutters

The Xtreme cutters design paralleled that of the Edge cutter sharing many of the Edge's attributes including safety features eliminating potentially dangerous comb and cutter mechanical lock-ups. The Xtreme is run-in and engineered to give high performance straight from the packet.

We stock a wide variety of Cutters – however if you require something that is not on our shelf, we will happily source your requirement.

Grinder Equipment

Heiniger

Acutecc Shearing Grinder

The **COMPLETE** out-of-the-box shearing grinder solution that includes everything you need to start grinding!

- With Arc Radius Technology
- Enhances your ability to get on the radius of the disc
- Powerful enough to be permanent, light enough to be portable
- Your complete out of the box grinding solution

The longer mast height of the Acutecc Shearing Grinder delivers a more consistent movement of the pendulum along the radius line, which in turn enhances the hollow when sharpening combs and cutters.

What's In The Box?

- 1 x Heiniger Acutecc A.R.T. Shearing Grinder
- 2 x Pendulums with Aluminium Case
- 1 x Coarse Red Heat Emery Sheet
- 1 x Fine Red Heat Emery Sheet
- 1 x 250ml Emery Glue
- 1 x Safety Glasses, Ear Plugs & Grinding Wall Chart
- 1 x Comb Hollow Check Stone

Grinder Equipment

Red Heat Grinding Emery

Heiniger

Fine - 719-260

Coarse - 719-250

The Muscle Behind The Machine

Unique backing achieves a true replication of the hollow

Exceptionally sharp with 100% patented SG ceramic grain

Offers fast coating removal with less loading and longer life

Our Red Heat grinding emery is unique in offering a 'closer to disc' grind due to its unique new backing and the 100% patented SG (Seeded Gel) ceramic grain lets you save time by changing emery less often.
